**WHAT:**

Toei Animation and Crunchyroll today announced the return of the **ONE PIECE** Simulcast on Crunchyroll this spring with the start of the **Elbaph Arc**, continuing the global anime phenomenon with an all-new chapter in the Straw Hats' journey. Crunchyroll also confirmed a March 2026 release window for the final English dub batch from the **Egghead Arc**, bringing the complete Egghead Arc to Crunchyroll in English dub.

**WHEN:**

- **Elbaph Arc:** April 5, 2026
- **Egghead Arc English Dub (Episodes 1144–1155):** Starting March 24, 2026

**WHERE:**

Streaming on Crunchyroll in the United States, Canada, Australia, New Zealand, South Africa, India, Southeast Asia, and Latin America.

**SYNOPSIS:**

After a daring escape from the Future Island Egghead, the Straw Hat Crew set their course for a legendary destination. Joined by the mighty Giant Warrior Pirates, they finally reach Elbaph, the long-awaited Land of Giants.

New encounters with Giants, and long hoped for reunions unfold. A colossal new chapter begins as the crew heads into an adventure unlike anything before, all in the pursuit of the ultimate treasure, the "One Piece!"
